

A PUBLIC MESSAGE OF THE

“VIRGIN OF RECONCILIATION”

REVEALED TO THE SEER MARIO D'IGNAZIO

- “Blessed Garden of the Most Holy Mary” -

Contrada “Saint Theresa”, BRINDISI, Italy

on Saturday, 5th April 2014

The seer tells about the Marian Apparition: *Our Lady is all dressed in white and is wrapped by a great light. She says to me:*

"I'm blessing you all, My beloved children, with My motherly blessing, so that you can belong to Me more and more and fulfil My supplications of love.

Dear children, invoke My Son Jesus's Name, invoke Him in every adversity that you'll encounter.

Dear children, by invoking the name of Jesus the Redeemer, you'll turn aside temptations, which are many.

Dear children, following Jesus is a great grace of the glorious Trinity, since the Lord's sequence is joy, life, fortress.

Ask the Eternal Father the gift of a coherent conversion, because you need conversion, always.

Aim Heaven, because It's your True Home.

Waive any earthly ambition.

Move away your steps from wrong ways that the Devil invites you to walk, by making you believe that they be good paths.

Look at your life in the divine light of God's Word and you'll see clearly whether it's inhabited by the Eternal or by other.

Little children, remember that the main action of the Evil One is to seduce you in order to take you into the abyss of the second death, the eternal life.

Arm yourselves soon with the weapons of faith and neutralize the action of the enemy of God, who, for his great envy, wants to deprive you of the salvation wrought by Jesus.

My Son embraced the Holy Cross for love, embrace It, you too!

You'll be born again from the Cross and you'll belong fully to God.

Pray before the Cross and meditate on Christ's wounds.

I love you very much, My little ones!"

(Before going away, the Virgin Mary blessed in a special way all the candles brought into Her presence in order to correspond to Her desire: at the light of a candle blessed by Her, to pray the Holy Rosary for the entire month of May, the month dear to Our Heavenly Mother.)

.....

.....

Nota Bene: In this day of unlimited grace, we meditated on Christ's Passion, praying the Way of the Cross with great devotion and meditation. Together with Mario, the pilgrims offered their humble prayers, invoking the Lord's mercy for the conversion of poor sinners and for peace among Nations. Many people shed tears of repentance for their sins. The Most Holy Virgin has been manifested to Her confidant, after having prayed intensely *the Crown of Tears of the Virgin Mary* and *the Crown of the Holy Wounds*, together with the Rosaries requested by Her. The procession

with the statue of the Virgin Mary of the Reconciliation will take in the place of the Heavenly Apparitions on the next 5th May. As every month, prayer will begin at 4:00 p.m. and the “Blessed Garden” shall be opened to all the faithful of God's Immaculate Mother and our Mother. Let's correspond docilely to the Call of the Blessed Mother, by enhancing the value of Her Apparition and by spreading Her noble Messages of peace with joy and with perseverance, so that the world may return to the Father, worshipping His Divine Son, in the sanctifying grace of the Spirit of Love.
