

OUR LADY'S MESSAGE

GIVEN TO THE SEER LELLO FERRARA
ON 1ST MARCH 2014

"My dear little children, today I'm asking you to pray without getting tired, because the world has increasingly come under attack by the temptations of Satan and to you, that live these times of grace, I'm urging to support those who let themselves drag out in this world, no longer following in My Son Jesus's footsteps.

My children, to you, who are precious in My sight, I, as your mother, I'm coming to dry your tears.

As a mother comforts her children, so I console each of you. Cheer up, My little children, don't think that I don't hear your pains!

Thank My Son Jesus's tenderness who lets Me come from Heaven to console those who have no more hope from the world.

I'm preparing you, who have Me in your midst, to make you meet with the King of Peace.

As the spring, which is awakening, awaken your hearts, so that in your Groups and in your Parishes and, through your Pastors, the joy be in them.

Thank you for the love that you've for My Son Jesus.

I'm fixing your eyes and I'm praying upon you the Comforter Spirit, so that you may be covered with My tenderness.

Pray, pray, pray!

I love you, help Me so that God's plans may be fulfilled.

I'm blessing you and thank you for having responded to My call.”
